The freshman retreat was on campus in Olivia Hall. The freshman enjoyed playing games and listening to inspiring speeches in the morning. The day was split in half by a lunch break with pizza. Towards the end of the day they attended an all grade mass.

"The sophomore retreat this year was very fun. It was even better than last year. There were many activities that we got to do. We got to listen to people speak about God, collect beans and split them, gather wood and sticks, and most of all, have an awesome time! I don't think it could get any better than that. Although, our fabulous religion teachers will probably find a way to make next year's retreat a blast." Ashley Sedler

CLASS OF 2016

Drama and Thespians

The Drama Club and Thespians had a very exciting and successful year in the Drama Department. The Drama Club put on two fantastic performances this year including the Fall Musical, "Once Upon a Mattress," and the Spring Play, "The Canterville Ghost." The Drama students put several hours of their time to try out, rehearse lines, and learn songs to perfect and pull off these two performances. They showed in both performances the amount of hard work and practice they put into it, and it also showed how much hard work and practice can really pay off!

The International Thespian Society was first founded in 1929 and is an association that recognizes the achievements of middle school and high school theater students around the globe. OA's current Thespians are Mikaela Fangman and Carly Wagers, and on April 15th, 2014, the nine students who were newly inducted as Thespians include Caitlyn Bowling, Emily Cornett, Jacob Fairfield, Marie Hoog, Nathan Hubert, Elizabeth Miller, Katie Ulrich, Tyler Wachsmann, and Josie Wessler.

Academic Team Requirements and Rules

Many think that the Academic Team process is simple, but there are many requirements that a student and team must meet to participate, as well as rules that must be followed during the competition.

Requirements:

1. Students must be in grades 9-12 and be born on or after April 29th, 1994.
2. A student may not participate in a middle school and high school competition in the same year.
3. No team may participate in more than one regional meet, and no student may compete on more than one team.

Rules:

1. Once a question is read completely, it may not be re-read.
2. Each round, each non-playing team will be allowed one "accidental" buzz during the bonus questions. All buzzes after will be considered distractions and the opposing team will be awarded with 10 points as well as the option of an additional 40 seconds run off the clock.

"Academic Team was a lot of fun. It's great being able to compete with the much larger Cincinnati schools. Plus, the group is just a really good time to be around." - Gabrielle Mungcal

ACADEMIC TEAM

NATIONAL HONOR SOCIETY

INDUCTION

On September 24th, 2013, Oldenburg Academy held their annual National Honor Society Induction in the auditorium. Each year, several Juniors and Seniors are given the honor and opportunity to participate in this ceremony and become a member of the National Honor Society. As a member of the National Honor Society and through the many events the NHS members participate in throughout the school year, students are given the opportunity to show and take pride in all of their academic achievements, take part in several leadership roles, and also have the opportunity to give back to their own community.

Senior **Cora Weisenbach** lights one of the four candles representing the four core values of the National Honor Society: **scholarship**, **character**, **service**, and **leadership**.

Seniors **Emily Sanders**, **Rachel Billingsley**, **Nichole Flaspohler**, **Claire Dickey**, and **Meredith Maier** read the NHS pledge to complete their induction into the National Honor Society.

Junior **Ted Geis** holds his yellow rose and signs his name as he is officially inducted into the National Honor Society.

ACADEMY AMBASSADORS

The Academy Ambassadors consist of a group of well-rounded students who lead the school to promote Oldenburg Academy and recruit new students. Led by moderator Mrs. Hunger, the students are involved in various recruitment activities to showcase just how great Oldenburg is!

What We Did

- Academy Ambassadors are given the task of giving tours for the Open House. This is always a big success and a source of recruitment for our school.
- The group also hosts the shadow days for incoming freshmen. They give small group tours to all the 8th graders from feeder schools.
- Academy Ambassadors help with the Deanery Speech Meet.
- Ambassadors plan and help with the Freshman Picnic every year. All the incoming freshman get together for the first time to make new friends and participate in various activities.
- All the Ambassadors write personalized notes to incoming freshman.
- The group helps with the grade school Academic Meet.

BOOK CLUB

Books We Read

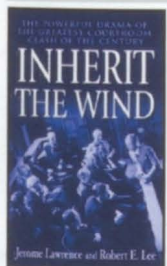

"I loved how the Holocaust was described by a different perspective: death."

-Grace Burkhart, '16

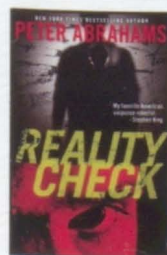

"I liked how realistic *Ashfall* seemed. It made the future seemed plausible."

-Grace Burkhart, '16

This book is very meaningful, because it is based on the Scopes Monkey Trial of 1925, in which a teacher was tried for teaching evolution.

Jurassic Park is a thrilling story about a new technique discovered for cloning dinosaur DNA. Now that dinosaurs roam the earth once again, things are about to get a little crazy.

"*Reality Check* is a thrilling story about a couple who were both kidnapped. In the end, they live happily ever after."

Ivy Glaser, '15

Senior Peter Harrah is the president of the Book Club. He is a four year member and has enjoyed reading all of the books over the years. As the president, Peter leads the discussions and keeps the conversation flowing.

The Book Club, led by moderator Mrs. Stephens, is a chance for students to get to know more students and to read books that they never would have thought they would read. After reading a book, the group gets together to eat donuts and talk about the books they have read. The book choices were very popular this year, and all the students enjoyed reading them!

Student Council

This year, Student Council was very busy. The first task that the STUCO officers had was to welcome the freshman on their first day at school. At the first of many meetings, the entire STUCO group was able to plan a fun "Friday Night Fever" dance to bring everyone together for a new school year. They then planned the Semi-Formal

dance, "A Starry Starry Night" and enjoyed their time bonding while setting up and taking down. To get everyone in the Christmas spirit, Student Council members planned this year's 12 Days of Christmas. Then on the first week of May, Teacher Appreciation Week took off where each Student Council officer was a secret pal to the teachers and left them little gifts and notes throughout the whole week. The following Monday, the students and teachers revealed who they were at an ice cream social over sundaes and root beer floats. It was a great way to show the teachers what their hard work means to us. Student Council

also did behind-the-scenes works like the "Twisters in the News" bulletin board. "Student Council was one of my favorite parts of high school. I was honored to be a part of a leadership organization that was also really fun!" -Senior Lizzy Bachus, STUCO secretary.

At awards day, the Student Council officers got to welcome the newest officers for the 2014-2015 school year. Gabrielle Mungcal, STUCO president, said "I remember what an exciting time induction was for me last year, so it was a great honor getting to welcome in the new officers."

1. STUCO officers President Gabrielle Mungcal, Vice-President Claire Dickey, Secretary Lizzy Bachus, and Treasurer Madelyn Hunger with moderator Mrs. Grills shortly after handing off the pins to the newly inducted STUCO officers.
2. Senior class officers President Liz Siemer, Vice-President Cora Weisenbach, Secretary Nichole Flaspohler, Treasurer Jenna Morgan and Class Representatives Hannah Teaney & Tabitha Shenk (not pictured).
3. Junior class officers President Luke Wukusick, Vice-President Ivy Glaser, Secretary Ella Lamping, Treasurer Aaron Moorman, and Class Representative Hallie Kile.
4. Sophomore class officers President Luke Weisenbach, Vice-President Zoe Brown, Secretaries Grace Burkhart & Calvin Shenk (not pictured), Treasurer Caroline Storms, and Class Representative Carly Wagers.
5. Freshman class officers President Margaret Glaser, Vice-President Clay Hunger, Secretary Haleigh Reed, Treasurer Samantha Nobbe, and Class Representative Cori Hammoor.

Adopt -A-Sis

Every other week, over half of the school has the opportunity to meet for lunch with a sister through the Adopt-a-Sis program. Students enjoy hearing stories from the sisters' past and getting honest advice. Even after graduating, students and their sisters continue to make memories.

Maggie Bruns spends time with her sister.

Pamela Chen gets to know her sister.

Abby Greiwe enjoys bonding with her sister.

Ben Schebler and his sister share stories.

Lunch with a Sister

"One day while enjoying lunch with my sister, she noticed there was a bug on the table. Immediately, she began giving the bug CPR, trying to save its life.

She was so proud of herself for giving the bug a chance to live, but little did she know, the "bug" was actually a chocolate chip."

Epiphany Party

After being rescheduled three times because of snow, the Adopt-a-Sis annual Christmas Party finally took place on January 31st, resulting in an "Epiphany Party." Students and their sisters enjoyed quality time while bonding over tasty refreshments and fun prizes.

Campus Ministry

What do you love about Campus Ministry?

Hallie Kile

"I like to be able to discuss ways to take my faith and put it outside of myself. My faith is taken to another level through Campus Ministry."

Ashley Sedler

"I love planning things for our community and our campus to make it a better, more enjoyable place."

Mr. Macke, Ashley Sedler, Abby Greiwe, and Grace Burkhart make plans for upcoming events.

Haylee Siegel uses her Campus Ministry skills to give a blessing.

Activities

The Campus Ministry students, along with moderator Mr. Macke, are involved in many projects to incorporate faith into the school community. They plan car washes and bake sales to raise money for the annual March for Life trip, hold prayer sessions before lunch, and are even interested in working at a soup kitchen in the near future. The Campus Ministry group is dedicated to making a difference in the school community.

Mr. Macke and Ashley Sedler discuss the upcoming mass.

March for Life

This year, a group of students headed up to Indianapolis for the day to protest against the Roe v. Wade decision to make abortion legal. Students became passionate about standing up for innocent lives as they raised awareness on the issue.

Kicking it Up

a Notch

This 2013 girl's soccer season was a rebuilding year. The hard work began in June with open sessions and conditioning. During conditioning week, the girls woke up early because practice began bright and early at six o'clock everyday. One day, they plunged into the nice, cold water at Batesville's public swimming pool for some water aerobics. Despite the sore muscles and tired girls, they ended the week with a swim party at the Glaser's pool. Then, after many hard practices in the

heat, the girls were finally put to test with their season beginning. They also had some great bonding times during the season including: picture scavenger hunts, the annual car wash that raised over a thousand dollars, and great dinners together. The girls ended the season with a record of 9 wins, 5 losses, and 3 ties. The motto for the season was "we can do it and we will do it", which they continued through their sectional games. The team got a great draw, receiving a bye and then a game against Southwest Hanover, who they beat. The final game was against Lawrenceburg (Oldenburg girl's soccer biggest rivalry), who they tied during regular season on our home field. This set the stage for an intense game between the two. The game was a hard fight, which unfortunately ended in a loss for Oldenburg. Despite this loss, the girls remained strong and happy because of their amazing success during their rebuilding season.

Emma Schulte, junior, traps the ball in her sweeper positions.

Senior Taylor Reed sprints to defend the ball against the opponent.

Hannah Teaney, senior captain, takes off to get to the ball.

Aaron Huber, sophomore, dribbles the ball with much swagger to the goal.

Freshman Regan Weberding blocks the ever fast ball from going into the goal.

"Being able to play in our regional game was an incredible experience, especially since it ended with a win." -Sergio Dole

Soccer

The boys learned a lot about being a team through their time practicing together, starting their season with open fields in June. They played in tournaments over the summer, where they lost all but one. After this tournament, they picked up the effort and started their season out with a win over Lawrenceburg. Not only did they spend time on the field together, they also were supporters of the girl's team, eating pizza and watching the girl's games after their own practice. Some of the teammates bonded at Taco Bell after practice. Their pre-game pump up came from mixed tapes made by senior Daniel Mullen. The many hours of hard work and bonding definitely paid off, which was obvious based on their wins. For sectionals, the boys first beat Greensburg to move on to the championship, where they beat Hauser on October 12th. After sectionals, they kept up the hard work throughout regionals, which they also won. This advanced them to Semi-State, so to keep up their spirit, the boys had many pre-game dinners together. The season ended as a huge success with many proud players, coaches, and fans.

Sophomore, Erica Geers passes the ball to junior captain Sarah Wilder. Good teamwork girls!

Daniel Mullen, senior captain, heads the ball with a little help from junior Brian Weberding.

Freshman Cori Hammoor prepares to trap the ball with a lot of grace.

3 STEPS TO A REGIONAL TITLE:

STEP ONE

Have a great coach who will teach and push the team all during the summer and through the entire season leading to sectionals.

STEP TWO

Use teamwork, dedication, and skill to beat Hauser 5-0 in the sectional finals.

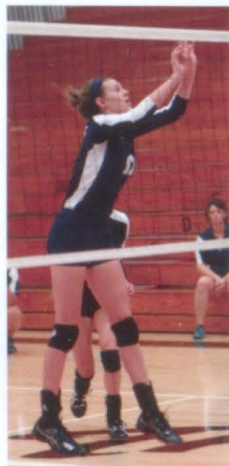

STEP THREE

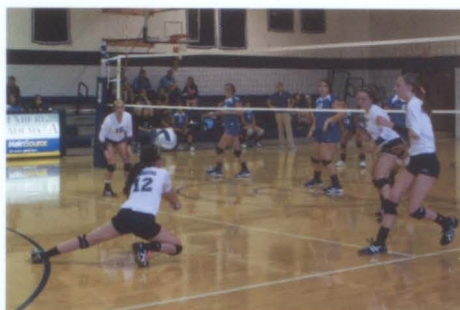

Beat Indianapolis Regionals with a 4-3 lead and have a celebration hanging the first ever regional banner in the school gym.

For the football's first year in existence the team did really well. The boys worked extremely hard. They had many firsts, including Jason Kline making the first touchdown in Oldenburg history while playing Southside. Oldenburg earned its first win against Trader Point at home. In celebration, Mr. Gillman got a Gatorade container poured on him. They made a lot of accomplishments and had a great year.

Graduating Senior

Meredith Maier is a 4 year swimmer who has had many accomplishments throughout her years. Meredith leads her relay team, allowing them to dominate both the medley relays and the free relays. She is a great role model for her younger sister, Madelyn Maier, who has followed in her footsteps. After becoming the captain for her senior year, Meredith and her team have had many victories!

Most importantly, cheerleading has made Jenna less awkward of a dancer, a skill she will definitely use in the future

Emily Sanders is also a 4 year varsity cheerleader and co-captain for her senior year. She rocks it out on the basketball court by landing her round off backhand spring during all her games and was the first senior to cheer for the football team at Oldenburg.

MAKING HISTORY

Boys Basketball

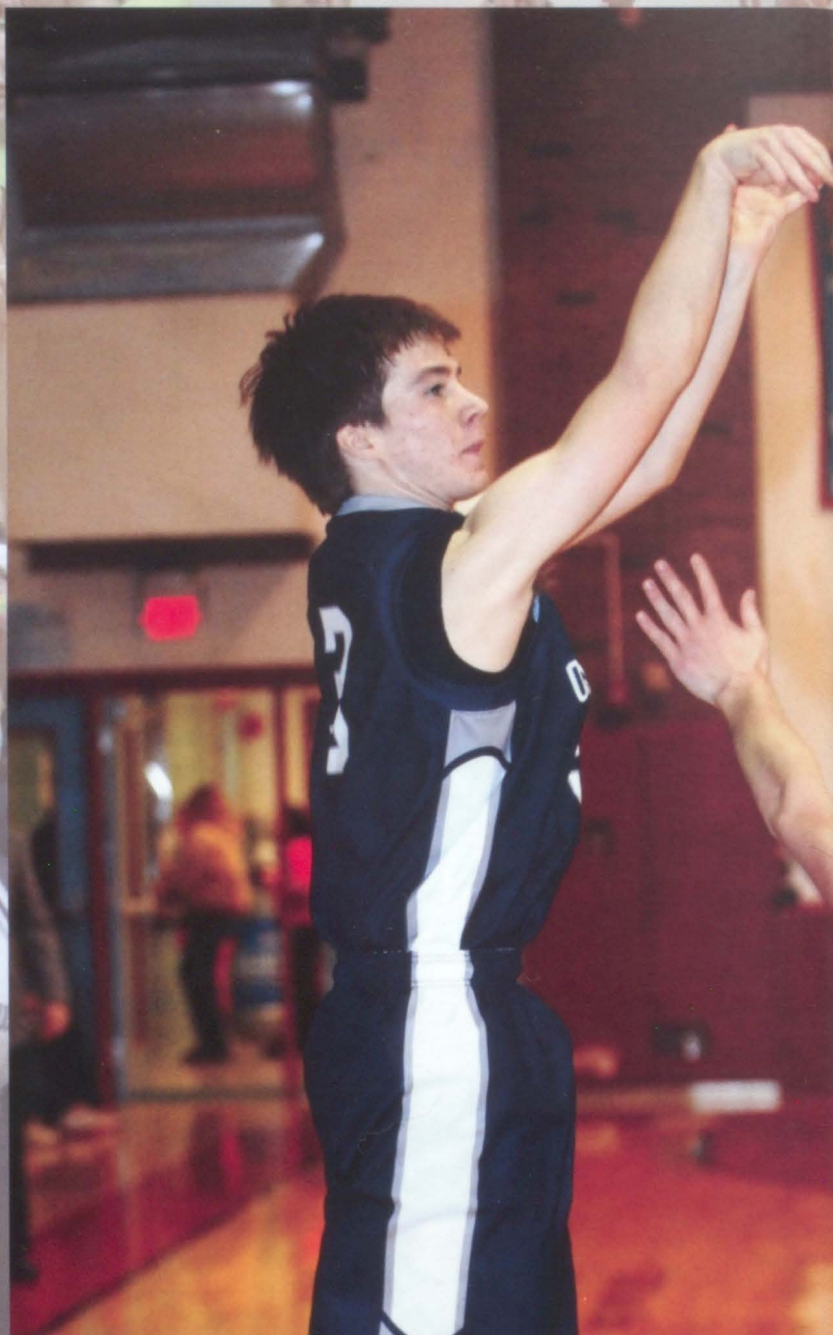

2014 Sectional Champions

To start off sectionals, the Oldenburg boys beat Hauser on Tuesday, March 4th. They then moved on to play on Friday, March 7th, against the Jac-Cen-Del Eagles. After moving past the semi final game thanks to their amazing hard work and a lot of cheering from the fans, they went on to the finals on Saturday. They beat the Rising Sun Shiners to take home the first ever trophy and sectional title for Oldenburg Boys basketball. This was such an exciting night for the team, coaches, fans, parents, and entire Twister community! Congratulations boys!

Matt Moorman dribbles around the opposing team to get to the basket.

Oldenburg Academy Boys Basketball had an amazing 2013-2014 season. It started off with a loss of 56-57 against Switzerland County, but the boys didn't let that affect the rest of their season. They spent many hours practicing and working towards their goal of sectional champions. The opportunities the boys received, including playing at the Bankers Life Fieldhouse, brought them together as a team and gave them an awesome, once in a lifetime experience. The Varsity and Junior Varsity team worked side by side to accomplish the most successful season yet. The boys were able to make history and end their season at regionals, proudly representing the work and effort they gave throughout the entire season.

Both the Boys and Girls Oldenburg Track teams had an amazing season this year. Through snow, rain, cold air, scorching heat, and all the crazy Indiana weather imaginable, the teams practiced long and hard to be the best. Coaches Merle Hines, Mr. Riehle, and Mr. Gorman never failed to push all of the runners during their workouts, practice time, and whether it was weight lifting or running, you could bet that the teams were working hard and to their full potential. The runners participated in many meets and invitationals throughout the season, that of which prepared them well for sectionals. Not only did the teams do extremely well in sectionals, but senior **Meredith Maier** and junior **Kirsten Ricke** gave everything they had and earned the honor to represent Oldenburg Academy at State.

SOFTBALL

The softball team had a rough time getting their season started this year. Game after game was canceled due to the bad spring weather. Even their senior night got washed out! Once they finally got to play, they did very well. The team had a major focus on positivity and working together throughout the entire season. They had a common goal of backing each other up, and always picking up their teammates. They advanced past their first sectional game. Their second sectional game was against Jac-Cen-Del and lasted a whopping 3 hours and 2 minutes. The game ended with a 28-23 loss but the girls never gave up and had an amazing comeback near the end of the game.

BASEBALL

The baseball team also had many rained out games, but they worked through it. They worked hard throughout their season, and pushed towards a win. They earned second place at the Union County Invitational first beating South Dearborn, then taking a loss to the host Union County. They lost in the first game against South Decatur, although they fought until the end. It was truly a fun season to be a baseball player at OA!

Freshmen Welcome Week

Freshmen Welcome Week this year was unusual: each of the seniors choose at least two freshmen to spoil. This was the opposite from when the seniors were freshmen. The senior's small class allowed them to connect with more freshmen and make even more memories.

Chase Hogg and Kole McGinn bond over their crazy hats. Their friendship is stronger now than ever!

Liam Mungcal, Peter Harrah, and Allen Liu get pumped about ice cream. Senior Peter Harrah is clearly enjoying his life.

Luke Ruter and Taylor Reed work it for the camera. They got quite classy with the button ups and bow ties.

The fall dance this year was unbelievably fun for all the students who came. The theme was disco and almost everyone came in their costume attire. Each student who attended was allowed to bring one friend with them that does not attend OA. This gave everyone a chance to make new friends from all around.

SEMI 2013

A Starry Starry Night

This year for Semi, the theme was A Starry Starry Night. Student Council set up the dance after school on Friday. Although Student Council looked like they could be "hardly working," they made the room look like a starry wonderland! The dance was on the following Saturday, November 9 at Batesville's Knights of St. John. As cars and even a limo arrived, the starry night began to light up. Despite the bitter cold, the jackets were quickly taken off as the dance floor became packed. As Miley Cyrus's hit song "23" came on, everyone began dancing and singing along. Even the teachers joined the students on the dance floor. Sophomores, juniors, and seniors had a fabulous night under the stars!

This year, the Semi Lady is Zoe Brown and the Semi Lord is Mike He.

The Semi Queen is Olivia Horan and the Semi King is Luke Hammor.

Ella Lamping is our Semi Princess and Ryne Domingo is our Semi Prince.

"This year's Semi was my favorite, because the music was great, the dancing was fun, and my friends and I had a great time together!"

Pep Rallies GoTwisters!

This year, there have been many Twister successes to be cheerful about. Thankfully, there have also been quite a few times where the entire school community came together to cheer on and appreciate the amazing teams and fund raisers that went on. To kick off our annual Lucky Buck adventure, we had a pep rally where Mr. Knueven pulled the winning ticket in front of the whole school out of the big wheel. Some excited teachers participated in games of teamwork, showing us students how to come together for a great cause. Even some of the student body got in on the action and played games, as

well as participating in the pie eating contest. Although it was very close, senior Meredith Maier beat four others, including Mr. Armbruster, and finished first. At the pep rallies, the cheerleaders showed us how to chant our teams to victory! They were full of excitement and energy,

which always pumped up students. Another pep rally involved the coaches of the fall sports introducing the successful teams they had for the 2013 season. They shared memories of the season so that we could all get a feel for what their months were like. Cross Country coach, Merle Hines, shared with us who would be advancing past regular season, as Coach Getz did with his soccer boys.

Catholic Schools Week

This year, Catholic Schools Week was from January 20 to the 24 and things were quite different! On Friday there was a school mass congratulating the five and ten-year members of the faculty and staff. There was also a Volunteer of the Year award. This year, Sherri Wanstrath was the winner! After mass, the students that participate in the Adopt-a-Sis program had a party with their sisters. The whole week was a success!

Sherri Wanstrath was honored as the Volunteer of the Year, an award that Oldenburg Academy gives out to one person per year to thank them for their continuous time and effort put towards helping the students and faculty. Sherri has helped for many years in the office, the classroom, and other well countless things.

The Canterville Ghost

Spring Play

On February 28th, "The Canterville Ghost", a short story created by Oscar Wilde in 1996, premiered at Oldenburg Academy. The lead roles were played by Nathan Hubert as Sir Simon and Gabrielle Mungcal as Virginia. The actors and actresses did a wonderful job portraying their roles in Wilde's story and evoking emotion from the audience. All who went were impressed by the hard work and dedication the students put into the play in order to make it such a success.

Katie Ulrich as Lady Lily, and Elizabeth Miller as Lady Joan.

Nathaniel Hubert as Sir Simon

Christopher Jarman, Nathan Hurm, and Jacob Preston as ghosts.

Jeremy Kelnhofer as Lady Bakalava.

As Mrs. Wampler likes to say, "the best day is Fine Arts Day in the Burg!" Fine Arts Day is an exciting and fun day for students and teachers as they learn new and different forms of the arts. This year the students had a wide variety of different arts that came to the Burg, including a guest speaker of History and Astronomy. Some students even participated with the teachers in making terrariums with Mrs. Miller and milk coloring with Ms. Wilson. Overall, the students and teachers couldn't have had a better day in the Burg celebrating Fine Arts Day!

#Promposals

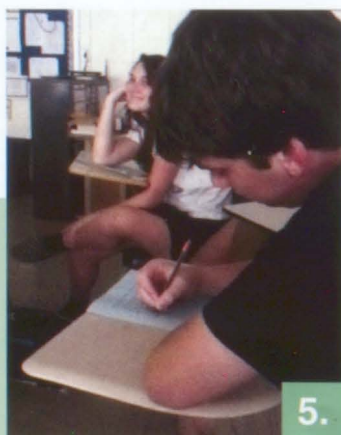

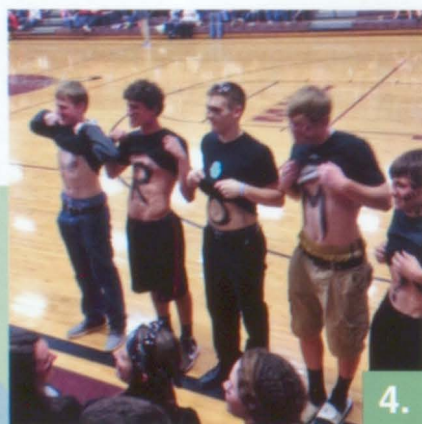

Every year, the pressure of finding a prom date rest on everyone's shoulders. The thought of walking into prom alone is so terrifying that students are willing to impress potential dates by asking them to prom in a unique way. In the **first** picture, Luke Hammoor asked Meredith Maier to prom while vacationing in Florida over spring break. He made her a sandcastle and wrote "prom?" in the sand. She was blown away and did not hesitate to say yes. In the **second** picture, Taylor Reed surprised Molly Rippe one morning by writing,

"Hi, I'm looking for Molly to ask her to prom" on the road in front of school. She of course agreed. In the **third** picture, Ryne Domingo asked Briana Tindall to prom by making pancakes with chocolate chips spelling out "prom?" After finishing the delicious meal, she said yes. In the **fourth** picture, Luke Roberts recruited some of his friends to ask Shannon Deal to prom. During a basketball game, they lifted their shirts to reveal "prom?". She willingly agreed. In the **fifth** picture, Julia Cummins anxiously awaits for Mark Hoog to finish his vocabulary test that read, *"Is the word ecstatic used correctly in this sentence? Although strange to ask a boy to prom on a test, Julia was ecstatic when Mark said YES."* The word was used correctly and Julia was ecstatic to have a prom date. Finally, in the **sixth** picture, Alex Doll used window marker to give Courtney Cull the option of going to prom with him. She answered yes by making a check mark out of more window marker. The promposals this year were quite a success.

Promposing Basics:

1. Be prepared for rejection, just in case.
2. Tell him/her why you think he/she is incredible.
3. Go for the standard sign or go out of the box with a unique promposal.
4. Cute puns are always a win.
5. If he/she says yes, remain cool.
6. Dance the night away with your date at prom.

Awards Day is a fun filled day at Oldenburg Academy. It's the day that the students get awarded for all the hard work, late night studying, and multitasking of different classes to achieve the awards of highest class average, first, second, and mixed honors, and straight A's all four quarters. For a student to be able to receive straight A's, he or she must have a 95 average or above in their classes to receive this award. Also, the artists of OA are awarded with trophies and ribbons for their artwork, writing, and acting. At the end of the awards ceremony, the current Student Council officers wait on stage for the 2014-2015 officers to be announced. Once announced,

May 16, 2014

Awards Day and Senior Lunch

the new officers received a pin. After the awards ceremony, the seniors go to the gym for a tasty senior lunch. They enjoy a delicious meal catered by The Brau Haus. During the meal, the seniors and their parents watch the senior video. This video, created by students in the Journalism class, consists of pictures from the senior's four years at Oldenburg. At the end of the video, a transformation of each student from freshman to senior year was shown, along with the school they will be attending next year. It was both exciting and embarrassing for the seniors to see how much they've changed in just four short years. After taking pictures with friends and family, the seniors, along with the rest of the school, head over to the chapel for the senior's final mass at Oldenburg. After all the seniors filed into the church, the ceremony began with a description of five items that represent the class of 2014. The items the seniors chose were quite unusual; a bag of peanuts, a knitted sweater, a paint palette, a varsity letter, and a light bulb. The peanuts represent the small class size, the knitted sweater shows how close knit the seniors are, the paint palette showcases the class's artistic talent, the varsity letter encompasses their sports ability, and the light bulb represents the bright students in the senior class. The description of these items added a personal touch to the mass and truly enabled the students to describe their class. At the end of the mass, the seniors were given a blessing in the form of a song from the sisters' choir. This was a very meaningful way to end the mass and send the seniors off. The entire day was filled with success and memories all the students will never forget!

MUSIC

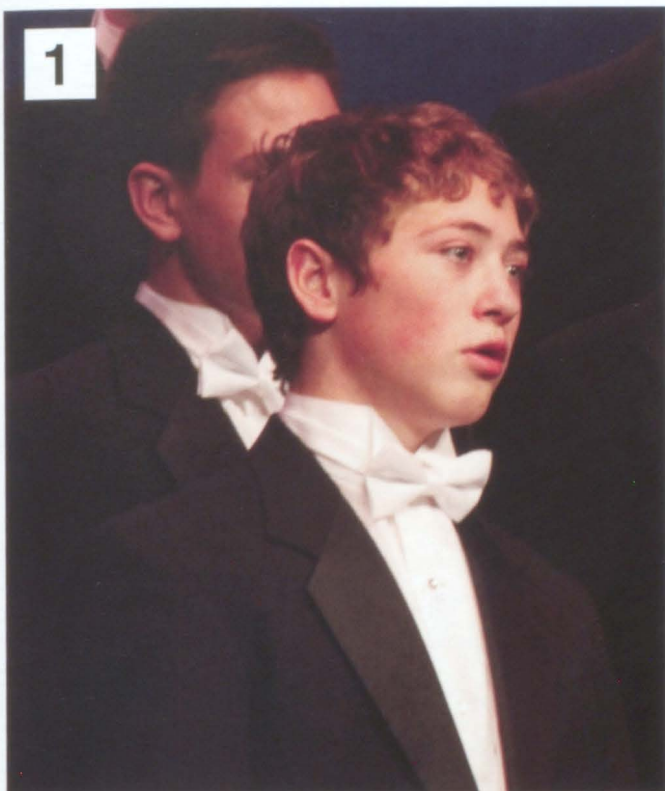

Department

The 2013 - 2014 school year was a very exciting year for the Music Department. On December 8th, 2013, Orchestra, Academy Singers, Concert Choir, the Steel Drum Band, the Musical Theater Class, as well as many other students put on a fabulous Christmas concert. Five months later and after several more hours of practice, on May 4th, 2014, the Music Department put on yet again another awesome show at the Spring Concert. With it being her last year here at the Academy, Senior Claire Dickey told us, **"I am so happy to have been able to be a part of the Music Department all throughout my high school**

years. I have created memories that I will cherish forever." All of the students who take part in the Music Department are extremely dedicated and work immensely hard to excel in what they do. Even though it takes a lot of hard work, early mornings, and late night practices, the students and faculty of the Music Department really have shown that hard work truly does pay off!

Juniors Marissa Wroblewski and Caitlyn Bowling get ready to play the sax and freshman Clare Hunter (the flute) at the Spring Concert.

[1] Junior Jeremy Kelnhofer sings his heart out in Academy Singers during the Christmas Concert.

[2] Sophomore Kirsten Stenger beautifully sings Adele's hit song, "Someone Like You" and the Spring Concert.

[3] Orchestra stands proudly after an amazing performance during the Christmas Concert. Junior Sarah Wilder stands as First Chair Violin and Junior Julia Cummins stands as First Chair Cello in Oldenburg Academy's Orchestra.

RELIGION

In Religion classes, students learned about their faith in many ways. Some classes read passages and discussed their meanings. Other times, the students learned about church history through readings and quizzes. Many of the religion classes are discussion based, so they are very open for students to talk and learn. The senior class even got to take a field trip to the Islamic Center of Greater Cincinnati as a part of their world religion class. They got to figure out what other religions taught, helping them question and better understand the world around them, and their own beliefs.

3. Do you feel bad for the cow whose eye was taken after death? "No."

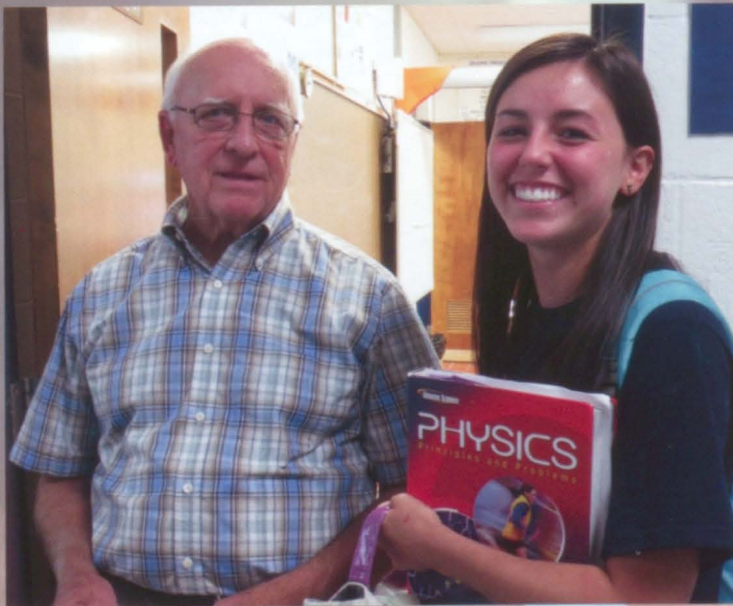

In our science classes at Oldenburg Academy, the students love to learn! In Mr. Armbruster's classes, students participate through working out problems and doing experiments. In Mrs. Miller's classes, students work on packets and dissect animals and insects!

Business

The business classes learn a lot in the short year they have. The business foundation class learns about different aspects of business, they practice an interview with real business owners, and learn etiquette skills. The personal finance class learns about budgets, checking/banking, investments, and they play the stock market game.

Maverick Challenge

1. Clifford Hammoor, Peter Weisbrod, and Josh Hollingsworth with their care package were runners up.
2. Daniel Mullen and Taylor Reed with NewsMapp won first place.
3. Cora Weisenbach and Isaiah Frey placed third with LED'd.
4. All of the qualifiers in the Maverick Challenge posed for a picture.

The Maverick Challenge is when students create their own idea as a group for a business. Local business owners help the students create a business and enter the competition. This challenge is supposed to help the students discover how entrepreneurs start their businesses. The winning idea was a news application that allows you to find the news in any location desired.

(left) The journalism team went on a field trip to Ball State University. Ball State University offers a journalism day for all high school journalism students. The journalism day theme this year was "What do the Facts Say?". The program has over 60 sessions the students can participate in. All the students are offered 4 sessions to attend of their choice. The students learned a lot from the journalism day. Savannah Stratman said, "I learned how to make stories that were dull, interesting." Lizzy Bachus said "I learned how to take pictures from different angles instead of the average shot."

The journalism class is in charge of creating a yearbook each school year, hosting and recording OA Today, writing and calling in a WRBI report each week for OA sports and news, and keeping track of the school blog. The school year is filled with crazy, exciting, and fun moments for the entire journalism class. This year, the journalism class had fourteen staff members. Five members in OA Today and nine in yearbook. Although both groups are in one class, they have very different jobs. The yearbook staff designs the school yearbook each year, captures pictures at sporting events, musicals, in classrooms, and other special events. OA Today aired every morning of the school year for about five to six minutes and included saying our morning prayer, the Pledge of Allegiance, and any other announcements for that day or upcoming week.

Junior Retreat

The Junior Retreat took place in March right before Spring Break. Fellow students Marissa Wroblewski and Caitlyn Bowling reflected on their time at the retreat.

What was your favorite part about the retreat?

My favorite part of the retreat was spending time and bonding with my classmates and friends, and growing in and experiencing God with them.

What new things did you learn?

I learned what Adoration was all about and I really enjoyed it.

What did you do during the retreat?

I thought a lot about God and enjoyed the time with my class.

Marissa Wroblewski

(above) A group of the juniors all bond during a bit of free time.

(below) A couple of juniors snuggle together to keep warm while they are outside.

What was your favorite part about the retreat?

My favorite part of the retreat was watching the sun rise that next morning. A large group of people went, we hiked to the top of a hill at 7 AM and just enjoyed ourselves. It's really nice to slow down and enjoy nature every once in a while, I guess (even if it was cold).

What new things did you learn?

I learned about the impact that God can make on the lives of others, along with the magnitude of His power and glory. The way God affects the lives of those who need Him most is truly amazing and indescribable.

What did you do during the retreat?

Prayed, of course. That and played games, spent time in solitude to think about our own beliefs, stayed in little groups of close friends, hung out with NKU students (some were former OA students), and spent a lot of time outdoors.

Caitlyn Bowling

Senior Advice Day

Instead of a Junior Induction like tradition had hold, the seniors held a well-informed "Senior Advice Day" with the juniors. The seniors and juniors met in the oratory during B Lunch. Seniors wrote down some advice to read off to the juniors about college, school, and other advice as well.

1

"It's your last time for everything, so you might as well enjoy it!"

2

"Be nice to everyone it makes life easier. Focus on happiness not grades (but try not to fail)."

3

"Apply for college ASAP, the earlier you apply the easier it is to get in."

4

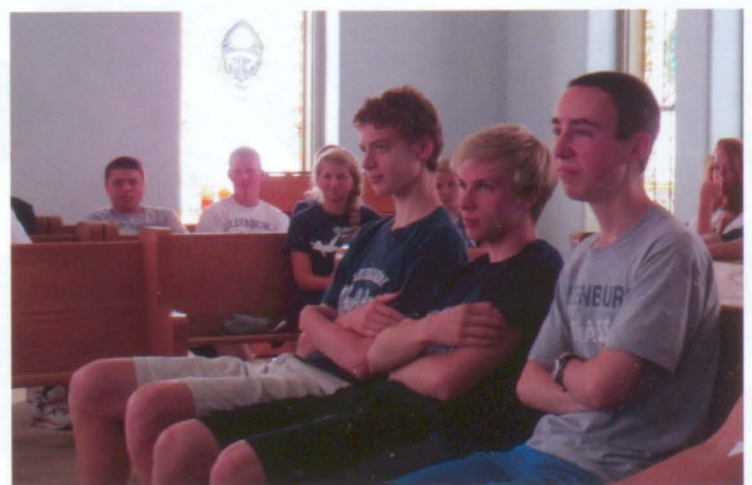

"Apply early for scholarships. Look them up and don't just go by what is offered locally."

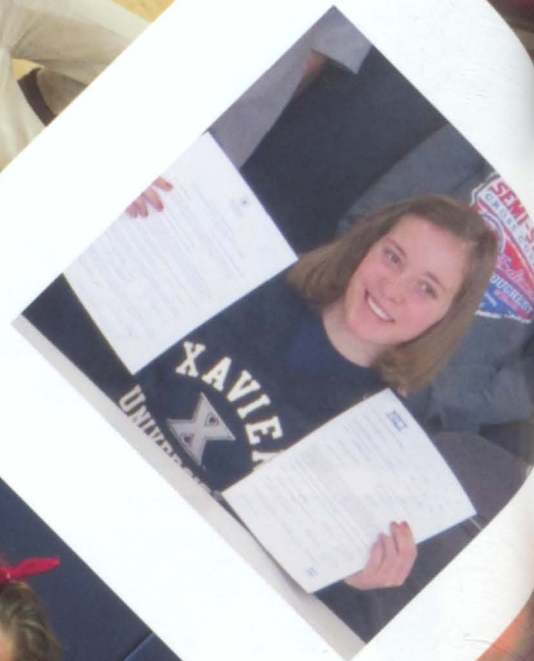

5

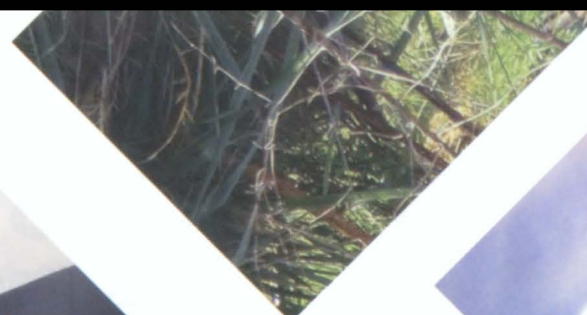

"Join the Facebook pages for your college so you can talk to people and possibly find your roommates."

(above) Senior, Hannah Teaney kicks off the day by reading off the advice that the class of 2014 left for the juniors.
(below) The juniors listen attentively as they take in the helpful advice.

Senior Retreat

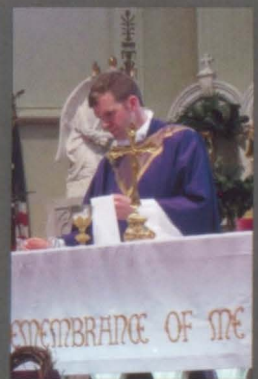

The Senior Retreat this year was held at the Holy Spirit Center in Norwood, Ohio. The senior class spent two days listening to speakers and engaging in activities to further their Catholic faith. Courtney Brown and Emily Macke were the two guest speakers the seniors had the honor of getting to know and learn from. In the first picture below, Sarah Billingsley, Nichole Flaspohler, and Josh Hollingsworth fight to the end; whoever was the last person standing with a balloon won a prize. The next picture shows how Mr. Macke and his retreat group really got into the video scavenger hunt. Students from all the groups had to record videos of themselves completing different challenges.

The third picture captures Rachel Fairfield and Olivia Horan as they participate in another activity in which they had to dress up in winter gear before the time ran out. Next, Luke Hammor's excitement is clear as he serves the girls dinner on the first night. The boys volunteered - with the persuasion of Courtney Brown - to honor and thank the girls by serving them dinner. Finally, Father John Meyer is captured giving mass for the seniors. His homily was filled with humor and lessons the seniors will always carry with them. Overall, the seniors really enjoyed their retreat and will miss more bonding time with their class in the future.

Happy Anniversary

Time for celebration: Two of our retreat leaders made a huge sacrifice and were generous enough to let us help them celebrate their 20th wedding anniversary! Congratulations Mr. and Mrs. Cranert and thank you!

Graduation

Class of 2014

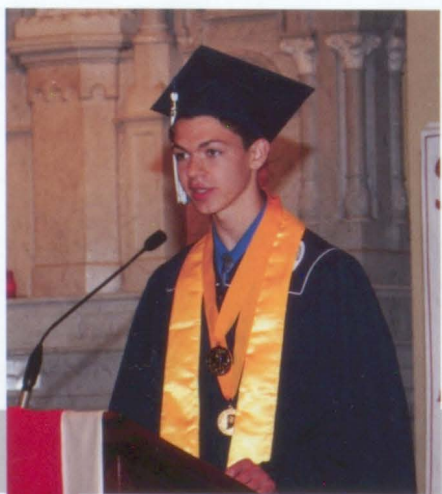

On Sunday, June 8th, the class of 2014 gathered together for the last time for their graduation

Nichole Flaspohler gives her rhyming valedictorian speech filled with memories of the seniors' four years at Oldenburg.

Gabrielle Mungcal's valedictorian speech included many cliches that provided humor and inspiration.

Isaiah Frey wrote a poem for his salutatorian speech, making it very thought provoking and memorable.

ceremony. All of the seniors were sad to leave behind their friends and classmates of four years, but are very excited for the next chapters in their lives. The ceremony began with all the seniors filing into the Sisters' Chapel. Meredith Maier carried the cross and Cora Weisenbach brought up the Gospel book. Father John Meyer of Saint Mary's in Greensburg joined the seniors and their loved ones as they celebrated this special occasion. During his homily, he reminded the seniors that they did not complete this journey alone; God was the one continually giving them the strength to continue. After the mass, the official graduation ceremony began. President Laake introduced the co-valedictorians, Gabrielle Mungcal and Nichole Flaspohler, and the salutatorian, Isaiah Frey. After the speeches, Principal Rose announced each of the graduates as they made their way up to the altar to receive their diploma. To end the graduation ceremony, Mrs. Rose invited class president Liz Siemer up to the altar to lead the class in the turning of the tassel. This signified the fact that the seniors were no longer students of Oldenburg Academy. The teachers led the new graduates out of the chapel where only tears of joy were shed as the seniors threw up the caps and celebrated their graduation!

A lcatraz

On September 28th, sophomore, Caroline Storms swam 1.25 miles from Alcatraz Island to Aquatic Park in San Francisco for the 11th annual Swim With the Centurions. Caroline did not just swim through freezing waters just for fun; she also raised money for an important cause along the way. Caroline raised approximately \$10,000 for the Margaret Mary Community Health Foundation.

T alent

Senior Jenna Morgan's vocal talent is so incredible that she won the 2013 Dillsboro Idol. She has been singing for her community since she was little and was grateful to have this opportunity

W ants more

Freshman Erica Leder is obsessed with salt. When she was 6 years old, her mother was eating salt and she wanted to try it. Ever since, she hasn't been able to get away from it. Her grandmother and aunt were also obsessed with salt. Erica's mother thinks it is because they all have thyroid conditions, because the thyroid regulates salt in your body.

I nstrumental

Freshman Kole McGinn plays the ukulele. Also, senior Gabrielle Mungcal plays the oboe.

S weden

Students Tabitha and Calvin Shenk have spent most of the year studying abroad in Sweden. They got the opportunity to attend the International School in Stockholm and have traveled all over Europe since.

T wins

Sarah and Rachel Billingsley along with Elliot and Oliver Jarman are the two sets of twins at our school. Sarah and Rachel love having each other even if they do not always agree. They enjoy tricking people at their jobs at Steak n' Shake. When people ask if they are twins, they tell them that they just met that day and that they were just as surprised that they look so much alike. Rachel's least favorite part about being twins is being constantly compared to each other. Sarah's favorite part about being twins is being study buddies.

O ut of socket

Freshman Sergio Dole can make his fingers go out of socket. Also, freshman Tyler Wachsmann has had his shoulder pulled out of socket 4 times this year alone!

N aautical

Senior Meredith Maier, and her freshman sister Madelyn, have sailed to various parts of the world with their family. They have been on many adventures and hope to continue sailing in the future.

T

Joy in Prayer

OUR MISSION STATEMENT:

We, the Sisters of the Third Order Regular of St. Francis, Oldenburg, are women of prayer, committed to the Gospel values as lived by St. Francis and Mother Theresa Hackelmeier.

From our life in community we are sent to extend the mission of Jesus through our presence and service.

Enlivened by a spirit of justice, reconciliation and peace, we collaborate with others in responding to the needs of the world.

We fulfill these words by being women of prayer in the ministries we do and the places where we are present.

Since Vatican II opened the doors to the many needs of the world, we minister in education, parish ministry, social service, healthcare and social justice.

Joy in Serving

We sponsor the following institutions:

- Marian University
- Oldenburg Academy

Our supported ministries include:

- Michaela Farm
- Oldenburg Franciscan Center
- Nia Kuumba & Prayer Lodge Spirituality Centers

We also sponsor the Justice, Peace & Integrity of Creation office. This office educates, coordinates, and promotes justice, peace and integrity of creation throughout the entire congregation and with groups inside and outside the community.

One Last note From The Staff

Dear Students, Faculty, and Staff,

In August, nine girls - seven seniors and two freshmen were set out on a mission by Mr. Maple: "to plan, create and execute a memorable yearbook that was different from every other OA yearbook." Applications and interviews began for specific positions. Little did the team know, this position would follow them through mid-June. The two powerful Freshmen ladies, Cori & Savannah, took on the roles of Yearbook Staffers, basically completing any job possible, while the seven seniors took on leadership roles. Melinda led the team as Editor in Chief, where she would grow into the role to give constructive feedback, and "become mean" when needed. Lizzy would lead the photographing efforts, assisted by Hannah & Liz, not missing an event where a photograph was expected and needed. Olivia, the grammar queen copy-editor, checked over every possible page to make sure the commas were in place. All of this was going on while Jenna and Molly focused on bringing in the business ads and money. Performance evaluations, WRBI Radio Reports, Blogs and an occasional lesson on the History of Journalism all took place while creating this "history book" for the 2013-2014 school year. Snow days, technology issues, and senioritis kicked in full swing, but the girls knew they had a mission - a mission to create the book that would serve as memories for this dynamic school year. A book that would share the stories. The team wanted more than a "picture book" they wanted a book for you to look back on in 50 years and remember the details, the excitement, and the traditions that make OA so special. The 2013-2014 OA Yearbook Staff is proud to present to you, "A Twist on Tradition."
